Good Evening Carole:

I am based out of New Jersey and periodically perform site work in Niagara Falls, NY. I will not be in Niagara Falls on June 20, 2016. However, our public affairs official for the Niagara Falls County will be able to attend. His name is Michael Basile and he is copied to this email. His information is below.

I have also been communicating with other Town of Lewiston officials. Town Supervisor Steve Broderick, Building Inspector Tim Masters and Chris McAuliffe and Code Enforcement Officer Chris McAuliffe. I am not sure if they are part of this environmental commission but I wanted them to be aware of this meeting and this communication.
